

Let's create together!

Our Purpose:

1

“To create solutions that make the world more **sustainable** and **efficient**.”

At Multiceras we help our customers to integrate in their cosmetic and personal care formulations, solutions of excellent **performance** and **sustainable** origin.

Evolving our sustainable commitment with the eLife® range of solutions for personal care

Candelilla REAL eLife® differs from the others by using natural resources responsibly and uses manufacturing and processing practices that are clean and respectful of human health and the environment.

Certified as 100% Organic by Ecocert Greenlife according to Cosmos Standard

At Multiceras we have exported candelilla wax for more than four decades therefore we have a strong supply chain to ensure the availability of the product.
